Dear Parents/Guardians of Our Lady of Lourdes:

We are most pleased to advise our school community that the Hamilton-Wentworth Catholic District School Board (HWCD SB) has recently added the position of Child and Youth Workers (CYW) as a new role within the board. A warm welcome is extended to all Child and Youth Workers.

The Child and Youth Worker, in collaboration with classroom teachers, school teams, and where required, with central board resource staff, will support the learning and well-being of students in a faith-based, Catholic school environment.

The Child and Youth Worker will work with students to build social/emotional and behavioural skills, in a variety of settings within the school environment, e.g., as a whole class; with small groups within a classroom; with small groups in different environmental settings within the school. As well, delivery of Hamilton-Wentworth Catholic District School Board approved programs will occur during both instructional and non-instructional time (e.g., recess time; lunch time).

Parents/Guardians are invited to speak with the school Principal for any questions.

Sincerely,

L. Konyt

Principal
